

Scientific and technical advancements in biological sciences are rapidly expanding therefore, to maintain communications and exchange of information among biologists, the University of Dohuk will held its 2nd. Kurdistan Conference on Biological Sciences during May, 2008. The city of Dohuk will be honored to have distinguished Scientists from overall Iraq and the Region.

The Conference will be held at the Cultural Centre Complex of the University of Dohuk which is situated on the foremost part of the main University Campus.

This modern Center is well equipped with audiovisual aids distributed over four major Conference Rooms.

The Center is provided with a Coffee shop, a Restaurant and a Sport Club.

Conference Topics

Molecular Biology
Environmental Biology
Plant Science
Animal Science
Microbiology
Biomedical Science

Program

The Conference will be held for three successive days. Following the Registration and opening ceremonies, an editorial lecture will be given by a distinguished speaker to cover a vital topic on biology. The Conference, then, will be parted into four concurrent sessions covering different topics. Two Roundtable discussion sessions on hot issues will also be held to stimulate new ideas and approaches for such issues. Some social and folkloric activities will be displayed during evenings

As requested, an excursion trip will cover sightseeing tours on the mountain resorts.

Registration

Registration to participate in the Conference is free of charge. Interested Scientists are kindly requested to fill the attached Form.

Conference Language

ENGLISH will be the official language of the Conference.

Oral Presentation

Time allocated for each Oral Presentation is 15 min including discussion time. Speakers are urged to prepare their papers as Power Point Presentation.

Abstracts and Full Papers

The Organizing Committee cordially invites all researches on biological sciences to submit their contribution in abstract forms for preliminary consideration. Abstracts should not exceed 200 words, an e-version to be sent to the Coordinator not later than Dec., 31, 2007.

Full Papers will be published after evaluation in a special issue (Supplement) of the Journal of Dohuk University. The deadline for receiving full papers is Feb., 15th., 2008. The participants will be provided with more instructions later on date. All abstracts and full papers should be written in good scientific English.

Accommodation.

All accepted participants will be hosted in a modern Hotel. The Conference will cover the costs of accommodation for one person per article. The accompanying person is welcomed to attend the Conference on his/her own expenses. The Conference will, however, help in providing reduced rates in Hotels. Please contact the Organizing Committee a time prior to the Conference date for such arrangements.
